RE: IN THE MATTER OF THE APPLICATION OF WILDCAT WASH WELL, LTD FOR APPROVAL TO CANCEL A CERTIFICATE OF CONVENIENCE AND NECESSITY FOR CUSTOMER OWNED PAY TELEPHONE (DOCKET NO. T-02834A-09-0102)

On March 6, 2009, Wildcat Well Wash, LTD ("Wildcat" or "Applicant" or "Company") filed an application to cancel its Certificate of Convenience and Necessity ("CC&N") to provide customer owned pay telephone ("COPT") service. The Commission granted Wildcat a CC&N to provide COPT service in Decision No. 59138, dated June 27, 1995.

Staff contacted the Applicant and verified that he is the authorized person that made the application. The Applicant stated that the Company has not provided COPT service in the state of Arizona since 2005. In the application, the Applicant did not waive his right to a hearing and did not waive his right to receive notice of a hearing in order to cancel the CC&N. However, Staff was able to contact the Applicant via telephone on March 13, 2009. The applicant indicated that he did not want to participate in a hearing in this matter.

The Compliance Section of the Utilities Division indicates that the Applicant is in compliance. The Consumer Services Section has found the Applicant to be in good standing. The Corporations Division reports the Company had a name change to Mail Well Shipping, LTD on April 24, 2006.

As a COPT, Wildcat does not have any Arizona customers or end-user obligations such as those of competitive local exchange or long distance service providers. Consequently, there is no risk that advances, deposits, and/or prepayment funds would be lost by Arizona customer due to the cancellation of Wildcat's CC&N.

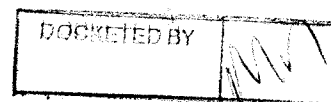

Staff recommends that the application to cancel the CC&N be approved. Upon cancellation of its CC&N, the Applicant will not be authorized to provide COPT telecommunications services in the state of Arizona and therefore, will not be subject to any of the requirements of Decision No. 59138.
